### **Career Objective**

---

My goal is to gain access and get off to a challenging start and at the same time accumulate new knowledge and experience. By using them as appropriate to occasion and successful, I would like to move forward step by step to the end of the work. In addition, I would like to get challenges that require good judgement, guidance, analytical skills and teamwork. I wish to make the most of my potential and dedicate myself to the betterment of the organization.
